

## Called to Sexual Integrity Bible Study

*“For out of the heart come evil thoughts, murder, adultery, sexual immorality, theft, false testimony, and slander.” Matt. 15:19*

The key to sexual integrity is not behavior modification, but heart transformation through the power of the gospel. Whether our sexuality is pure or impure is determined by the condition of our heart. These 10 studies view our sexuality and the battle for sexual purity through the lens of the cross and Christ’s work in our hearts to redeem our sexuality for his glory.

### Design of The Study

The studies are designed so that it is not necessary to prepare ahead of time. In fact, the questions in the booklet are for discussion, so there is no room to write out your answers. During the study, take turns reading the content out loud. Then look up the verses or answer the questions. Both the 10 week studies as a whole, and each individual study, are designed to start out with less personal questions, enable trust to be built in the group, and then move toward more open sharing, at the group’s own pace.
