

Our Men Need Hope, Not More Condemnation!

Grace Transformed Sexuality

**How Grace Changes A Man's Heart
and His Battle With Lust**

"Grace is the only antidote strong enough to overcome men's toxic shame over their sexual lust. It is the only motivation compelling enough to pick fallen men up, when lust has bloodied them, and send them back into the arena to fight again. It is the only force potent enough to change the heart desires that lead us into sexual sin." Gary Yagel

Seminar for PCA Men and Young Men

The Need: Millions of Christian men are hooked on porn for one reason: When they first started struggling with it no one equipped them with Biblical principles for combating it. Don't let this happen to your men! Equip them with grace-centered principles to fight this battle.

Time: Saturday Morning 8:30-12:00 usually works best.

Low Cost: \$25/man, \$35/father and sons (Minimum 25 men. Church may subsidize cost.) Only additional cost to church is whatever food is provided plus transportation expense for over 50 miles from Olney, MD.

“Let me give you an update to encourage you what's happened at DaySpring since the GTS seminar.

As you know, DaySpring is filled with young men in there 20's and early 30's. This was certainly reflected in those that attended GTS. Prior to the seminar I knew that most of these guys struggled to some extent with pornography. And for the ones that are married I know from their wives the detrimental effect it is having on their young marriages. Heart breaking!

Since the seminar we have determined the urgency of having a strong, committed ministry to our men. In fact we've determined that it is most likely the most important ministry to keep strong...and at the same time the most difficult to keep going. One of the men at the conference has stepped up and is taking the lead as our new Director of Men's Ministry.

Our first order of business is to keep the conversation started at GTS alive. He and two other guys have volunteered to facilitate groups. Our goal is to create as many opportunities...times of day, days of the week, one on one's...whatever we have to do to get as many men talking about this as possible.

Anyway...many many thanks.” Michael Horigan, DaySpring PCA, Linthicum, MD.

“I've seen the impact of the GTS material first-hand since I took a man through the GTS Bible-Study. I could see his eyes open in a dramatic way as his understanding of grace went from his head to his heart. I'd like to start presenting the GTS seminar here in South Florida.” Dave Enslow, Men's Ministry Leader, Covenant Life PCA, Sarasota, FL and founder of *Next Steps for Men Ministry*.
