

New Men's Seminar by PCA Men's Ministry Coach

Helping Men Love and Lead Their Covenant Families Well

In a world increasingly shaped by the LGBT movement, the institution of the family is being undermined on many fronts. Rarely in America have men needed more to step up and lead their families well, with humble, compassionate love in their hearts for all who are enslaved by sexual sin, but also with passionate zeal to protect our children from the gender confusion that is destructive to their well-being. Never have our children and those who know we are Christ-followers more needed us to model godly masculinity in the way we love our wives and lead our homes. This Saturday morning seminar is designed to help you and the men of your church strengthen your families' foundation—together.

Foundation 1: CELEBRATING GOD'S CREATED ORDER *"Male and female he created them."* Gen. 1:27

- Understanding the growing phenomenon of gender confusion in the world of our teens
- Why gender confusion puts our sons and daughters at risk for questioning their sexual orientation
- How to help our sons and daughters overcome gender confusion and celebrate their own femininity or masculinity

Foundation 2: LOVING OUR WIVES WELL *"Husbands, love your wives as Christ loved the church, and gave himself up for her."* Eph. 5:25

- Understanding from Scripture four needs of a wife's heart that God has designed husbands to meet
- What God has designed her feminine heart to need to be emotionally/spiritually connected to her husband

Foundation 3: LEADING OUR FAMILIES WELL *"Fathers, do not provoke your children to anger, but bring them up in the discipline and instruction of the Lord."* Eph. 6:4

- Forming a concrete, practical picture of what spiritual leadership is
- Identifying four relationship-busters that undermine our leadership at home
